Review Report to M/S GMB CERAMICS LIMITED

We have reviewed the accompanying statement of unaudited financial results of M/S GMB CERAMICS LIMITED, for the quarter ended 31st March, 2019. The Statement has been prepared and submitted by the Company pursuant to Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Engagements to Review Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, we observed that the Company is not providing depreciation on its fixed Assets for last couple of years and this causes us to believe that the accompanying statement of unaudited financial results has not been prepared in accordance with applicable accounting standards and other recognized accounting practices and policies and not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed and that it contains a material misstatement to the extent depreciation is not provided.
